**Join Us at our Somerset County Choptank Fiber Informational Meeting!**

We are pleased to invite you to an informational meeting about Choptank Fiber - our broadband affiliate. As promised, we will begin connecting members to high-speed internet in the very near future. We are delighted to partner with Somerset County government and the State of Maryland for grant funding to expedite connections for you and your neighbors.

We expect to start construction in the next couple of weeks. Dependable high-speed internet will become available over the next five months.

Join us at our meeting to learn how to be notified when service is available, to evaluate packages, and to have all your questions answered.
